This project will serve as a powerful visual tribute to our Bataan Heroes. This is especially important considering we will not have any survivors present at the event. Your contribution to the ***Faces of Bataan*** project will help ensure that the sacrifices made by your loved ones continue to be remembered, honored, and appreciated.

Project Details:

- RBF will create 35 in x 25 in banners of the faces of the individuals that were part of the Bataan Death March. (See pictures on attachment)
- The banners will be displayed during the Bataan Memorial March at White Sands Missile Range.
- Banners of those who perished on the March or while imprisoned will be placed along the March path at such places as water stops and medical tents.
- Banners of the Bataan Death March survivors will be displayed along the fence before the finish line so that the runners see the faces as they finish.
- We are asking descendants that would like to display pictures of their loved ones to submit the attached form plus the described photo and to donate \$45 to cover the cost of the banner and display supplies.
- Banners will be the property of RBF

All that defended Bataan are welcome to participate. If you wish to be a part of this meaningful endeavor please fill out the attached form and return it no later than March 8, 2024 to this email.

Thank you for considering this invitation, and we look forward to your positive response.

Sincerely,

Elaine Prickett
